72 HOUR GUARANTEE: If the puppy is found to be a poor health risk by your DVM you may return your puppy for a full refund within this time. Please provide a statement from your DVM explaining the diagnosis. WE CANNOT PAY VETERINARIAN CHARGES.

Your puppy is guaranteed to not be affected with the following genetic conditions: Exercise Induced Collapse (EIC), Progressive Retinal Atrophy (PRA), Hereditary Nasal Parakeratosis (HNPK), & Centronuclear Myopathy (CNM).

If within 1 year your dog is diagnosed with hip dysplasia with a **severe rating** by OFA, we will refund you the original purchase price, or replace your puppy. To make a claim under this you must submit your film(s) to OFA (the Orthopedic Foundation for Animals) and receive a result of "severe". The dog must not have been bred, overweight, or abused for this contract to be valid. A replacement puppy can take up to a year.

-OFA certification of the parents is not a guarantee against orthopedic problems in your puppy; it is your responsibility not to let them jump from couches, etc., to provide proper care, diet, and exercise appropriate for your dog's condition and age. Studies show spaying and neutering prior to 24 months of age can greatly increase risk of dysplasia as well as other serious health issues, and will void any warranty. Initial _____
